Hello Susan,

A friend forwarded this message to me and I would like our site to be included on the CPP website! Per your request, here is our information. Please let me know if you have any questions. Thank you!

1) The name, title, and email (phone number, too, but that's optional) of one or more points of contact from your site.

Site: Don Edwards NWR

Location: Alviso - Don Edwards San Francisco Bay National Wildlife Refuge. Contact: Julie Kahrnoff, Interpretive Specialist, julie.kahrnoff@sfbws.com. 408-262-5513 ext. 104

Location: Fremont- Don Edwards San Francisco Bay National Wildlife Refuge. Contact: Carmen Minch, Outdoor Recreation Planner, carmen_leong-minch@fws.gov. 510-792-0222 ext. 476

2) A list of the species currently monitored (or labeled and intended for monitoring) at your site.

Alviso: Blue Elderberry, California Live Oak, California Wildrose, Coyote Brush, California Poppy, Valley Oak

Fremont: California Buckeye, California Live Oak, Orangebush Monkeyflower

3) An Excel spreadsheet with the following columns (**items in red are required**; those in black are useful but optional).

Partner name (e.g., Stebbins Cold Canyon Reserve)

Don Edwards San Francisco Bay National Wildlife Refuge

Location name, if applicable (e.g., Southern Trail vs. Northern Trail) — **if you are monitoring in only one location, it's name may be the same as the Partner name**

Site name (this would be a site within a location, where a cluster of individuals of one or more species is monitored: e.g., Site 1, Site 2, etc.)

Alviso

Fremont

Individual ID (this identification label may be the CPP code, but you may also use any unique ID number associated with each individual plant) **Species**

Alviso:

Blue Elderberry - CS 1

Blue Elderberry - CS 2

Blue Elderberry - 1

Blue Elderberry - 2

California Live Oak - CS 1

California Live Oak - CS 2

California Live Oak - 1

California Wildrose - CS 1

California Wildrose - CS 2

Coyotebrush - CS 3

Coyotebrush - CS 2

Coyotebrush - CS 1

California Poppy - 1

Valley Oak - 1
